Medical Certificate

This is to certify that Ms./Mr. _____, born on _____, has undergone a medical examination.

From a medical point of view, there are no health concerns preventing participation in the physical and motor skills aptitude test as well as in practice-oriented movement and sports-related courses within the Primary Education teacher training program at the Pädagogische Hochschule Tirol.

The examined person is physically fit and fully capable of participating in physical activities. No acute or chronic medical conditions were identified that would impair safe participation.
